1. **Title:**
The Corona Virus COVID-19 Crisis

2. **Authors and affiliations and contact emails:**
   Primary author: Prof. Dr. John P. de New, johnhd@unimelb.edu.au @DeNewJohn
   Additional author: Dr. Ferdi Both ferdi.botha@unimelb.edu.au @FerdiBotha_Econ
   Additional Author: Dr. Nicolas Salamanca: n.salamanca@unimelb.edu.au @nsalamanca

3. **Abstract:**
The research is based off the results of a 10-minute survey using the University's Qualtrics questionnaire system, surveying information on the potential personal impact of COVID-19 on one's own income and employment situation, personal health and that of family members, financial wellbeing, subjective wellbeing and mental health.

4. **Data description:**
The survey is collected by researchers in at the University of Melbourne in Melbourne, Victoria, Australia, but the scope of the data collection is world-wide. Respondents can answer the survey more than once and are explicitly requested to do so. The survey link can be copied, distributed and used by anyone. The survey has University of Melbourne Ethics Committee approval HREC ID: 2056701.1, dated 6 APR 2020.
