

## **The Inaugural European Job Market, 2018**

The EEA launched the first European Job Market, on December 6-7 2018, in Naples, Italy. The Job Market took place immediately after the Econometric Society Winter Meetings (ESWM). This inaugural edition of the job market was organized in collaboration with the Centre for studies in Economics and Finance (CSEF) and the University of Naples Federico II.

While most of the time on December 6 and 7 were devoted to job interviews, the EEA organized the following sessions:

- How to Present your Job Market Paper: Eliana La Ferrara and Kjetil Storesletten
- Taxing Identity: Fiscal Policy and Conversions in Early Islam: Speaker: Jean Tirole

The interviews took place in 3 different locations in Naples - Federico II Centro Congressi, Royal Continental Hotel, and the Renaissance Naples Hotel Mediterraneo.
